

RIGLIFT [UK] LIMITED
QUALITY POLICY STATEMENT

RigLift (UK) Limited is a specialist machinery, plant removal and installation company which supplies skilled certificated plant movement labour, light and heavy lifting tackles, lorry loader transport, cranes, fork lift and storage facilities to the Electricity, Air conditioning, Mechanical Engineering and Construction Industries.

Our policy is to supply and deliver highly reliable, suitable, efficient and well maintained plant and lifting equipment to the client's site location on time. We undertake to deliver our services with highly competent, skilled, experienced and safety-conscious operatives and employees, in order to fulfil our contractual obligations, meet client requirements and exceed their expectations. We are committed to complying with the statutory, regulatory and other requirements relevant to our business, the requirements of our clients, the requirements of ISO 9001:2008, and, to continually improve our approach, arrangements, processes and performance.

This policy shall be used to provide a framework for reviewing our objectives which is to deliver our services efficiently and to the highest standard by continually improving on our service delivery performance, delivering the right services, supplying the right lifting equipment, plant, machinery and accessories using highly competent, experienced, certificated and conscientious employees and operatives who turn up on the right site on time, and, carry out the allocated tasks accident-free, and to the total satisfaction of our clients.

The Company Directors and I will ensure that this policy is communicated, understood, implemented and maintained at all levels of Riglift (UK) Limited. Whilst I anticipate the full cooperation of the company directors, managers, staff and employees, I also give my full support to achieving this policy.

In order to promote the adoption and implementation of the policy, all staff and employees shall be encouraged to understand and discharge their individual responsibilities to a degree necessary to ensure the effective operation of the Quality Management System. Directors, Managers, Supervisors, Staff and employees are responsible for ensuring that the quality of their own work meet the appropriate standards.

The Policy shall be communicated to all directors, managers, supervisors, staff and employees as part of their induction. Copies of the Policy shall also be displayed within the Company. I, in my position as the Quality Manager, shall ensure that everyone within the organisation is conversant with the Company's Quality Policy and Objectives.

This policy shall be reviewed periodically (at least annually) by the Company Directors and myself, in order to ensure that it is current, suitable and relevant to the company's business activities.

Edward C Clark
Chairman
